

Images Of Earth
ROBB KURTH / FINE ART PHOTOGRAPHY

CERTIFICATE OF AUTHENTICITY

I, ROBB KURTH, Certify that this photographic print has been created from my original negative image. Every print is part of a Limited Edition Series. The Edition number refers to the total number of photographs printed in addition to artist's proofs. After all numbers in an edition have been sold, the image will never be printed as a photographic print again.

Each image is printed personally in the Images Of Earth Photo Studio utilizing either Premium Luster Photo Paper or Somerset Velvet (matte) Paper. These photo papers are lightfast rated from 71 to 100 years in archival durability when displayed (protected) along suggested guidelines.

Premium Luster Photo Paper delivers highly saturated, vivid colors with a beautiful Luster finish. Somerset Velvet (matte) Paper is a 100% cotton rag, acid free and buffered paper with a radiant white surface for vivid colors.
